

Dear Faculty and Staff,

We have received a report about an unknown individual who is calling area residents and claiming to be representing Wells College. The caller in at least one case asked for the person's Social Security number, and is likely using a "spoofed" phone number that appears to belong to the College.

If you hear of any similar scam calls, please report them to [communications@wells.edu](mailto:communications@wells.edu) ASAP.

Thank you,

Chris Pollock
