There have been 5,905 cases of COVID-19 in Cayuga County.

Hospitalizations

Today there are two COVID-19 related hospitalizations at Auburn Community Hospital.

Deaths

There have been 89 total Cayuga County deaths related to COVID-19.

Additional Information

The use of the Johnson and Johnson vaccine has been resumed by the Cayuga County Health Department as the Centers for Disease Control and the Food and Drug Administration have confidence that this as a safe and effective vaccine in preventing COVID-19 .

The FDA has determined that the available data demonstrates that the vaccine's known and potential benefits outweigh its known and potential risks in individuals 18 years of age and older.

As always, we emphasize the importance of getting the COVID-19 vaccine and we encourage residents to utilize any of the authorized vaccines available to them.
