The Cayuga Lake Watershed Intra-Municipal Organization (IO) is working on comments that municipalities can submit, and Trustee Bates will report on their suggestions.

Mayor Bennett attended a webinar on the legalization of marijuana and how the State proposes to regulate it. Municipalities may opt out of the law by passing their own local law, subject to permissive referendum, before December 31, 2021. Trustee Bates noted the Village of Union Springs is in the process of opting out.

Marijuana will be regulated much like alcohol with different rules for growing, dispensing, and consuming. Also, zoning regulations apply such as proximity to schools, playgrounds, churches, etc. Time, place, and manner of sales is locally regulated.

Municipalities receive 3% tax on sales which for the village would be split 50/50 for Aurora and the Town of Ledyard.

Trustee Bates introduced Jon Gans who questioned the feasibility of a dog park in the village. It was agreed that first is to determine the level of interest, and Trustee Bates suggested a survey in the HUB.

Labella Proposal: Mayor Bennett explained the benefits of hiring Ed Flynn from Labella Associates to help with updating the Village Master Plan and Zoning Law:

- They are available immediately.
- They are familiar with Aurora's issues through the GEIS.
- They have an efficient procedure to complete the update within the confines of the moratorium.

Trustee Bates inquired about having the Village Board meet with Mr. Flynn prior to agreeing to the proposal. Mayor Bennett referred to her discussions with Steve Lynch and Kari Terwilliger from Cayuga County Planning, acknowledging that they are not available to help and agree that since Labella can start immediately, they are the best option. Mayor Bennett suggested that the trustees contact Mr. Flynn on their own if they have any questions.

Trustee Bianconi questioned the process for choosing the members of the Advisory Committee. Mayor Bennett responded that it is the same process as Board appointments. Mayor Bennett will bring her recommendations to the trustees for their approval.

Trustee Bates questioned if residents who asked to be on the advisory committee will be appointed. Mayor Bennett replied that the advisory committee is administrative and will be made up of Board members along with residents in the community with zoning and legislative experience. Mayor Bennett added that representatives of businesses, Wells College, non-profits, etc. are considered stakeholders and will meet personally with the Labella planners to give their input.

On motion by Trustee Miller, seconded by Trustee Murphy, the Village Board voted to hire Labella Associates at a cost of \$19,750.00 to assist with updating the Village Master Plan and Village Zoning Law.

**VB RESOLUTION NO. 21-07
DATES OF REGULAR and SPECIAL MEETINGS**

(Note: At the March 17, 2021 regular meeting, the Village Board agreed to change the meeting time from 7:00 to 6:00 at the convenience of the trustees.)

WHEREAS; the Open Meetings Law requires that the news media and public must have at least 72 hours notice prior to the holding of any regularly scheduled meeting [Public Officers Law 104(1)]. This can be accomplished by notifying the public and the news media of each specified meeting. Alternatively, the board may authorize the clerk to send a single letter to the news media, with a corresponding public posting of a notice indicating the schedule of the regular board meetings, as adopted by the board of trustees at the organizational meeting. This notice to both the news media and the public should state the dates of the meetings, the place of the meetings, and the times at which the meetings will be held, and

WHEREAS; no state law prescribes the number of frequency of meetings which must be held by a board of trustees. The board of trustees decides, by resolution adopted at the organizational meeting, when they will meet, and also,

WHEREAS; no state law prescribes the procedure for calling or holding a special meeting of the board of trustees. There is often confusion as to who can call or require a special meeting. With regard to special meetings, the Open Meetings Law requires that notice be given to the news media and to the public as soon as practicable after the calling of the special meeting. See Public Officers Law 104(2), and

WHEREAS; notice requirements to village officials are not stated in stature, but case law has indicated that any notice procedure adopted must be reasonably calculated to ensure that all members of the board of trustees have notice of the meeting. This may be accomplished by having the village clerk contact each member individually, or by having individual trustees contact other trustees by letter, phone, or personally. In adopting such rules, it is wise to remember that in some emergency situations it may be necessary to call a special meeting on quite short notice. Thus, the procedure should be flexible, without any provisions which might delay the meeting. Thus, a mailing is usually not a good method of calling a special meeting, and

BE IT RESOLVED that the Board of Trustees of the Village of Aurora shall meet on the third (3rd) Wednesday of the month at 6:00 PM in the Firehouse Meeting Room. Notification of a change in date, time or place shall be timely.

BE IT ALSO RESOLVED that Special Meetings of the Aurora Board of Trustees of the Village of Aurora may be called by the Mayor or by the Clerk upon request of two members of the Board. If called by the Clerk or the Mayor, the remaining Board Members and the Public shall be given three (3) days notice unless an emergency exists, in which case notice shall be given as early as possible.

BE IT FURTHER RESOLVED, that the Organizational Meeting for 2022 shall be held on the third Wednesday in April (April 20, 2022).
