Additional Information

The number of positive COVID cases have increased considerably. We ask adults to be patient as we are prioritizing the case investigations of schoolchildren and positive cases by date of test. If you have tested positive for COVID and are awaiting your results, please remain at home until you hear from the health department to conduct the contact tracing. If you have received a positive test result and have not heard from the health department within two days, please call us at 315-253-1560.
