**For Immediate Release: Wednesday, March 16, 2022**

## **Cayuga County COVID-19 Update as of 4:30pm**

### **Total Hospitalized Cases: 4 Cayuga County residents**

COVID-19 hospitalization reports received today from Crouse Hospital, Upstate University Hospital, St. Joseph's Health, and Auburn Community Hospital.

#### Age Demographics:

- 100s: 0
- 90s: 0
- 80s: 0
- 70s: 0
- 60s: 2 (2 vaccinated)
- 50s: 2 (2 unvaccinated)
- 40s: 0
- 30s: 0
- 20s: 0
- 10s: 0
- Less than 10 years of age: 0

#### **Deaths:**

There have been 139 total reported Cayuga County deaths related to COVID-19.

**Active Cases in Mandatory Isolation:** 133 in Mandatory Isolation

#### **Additional Information:**

The number of people in isolation has more than doubled since Monday, March 16, 2022. That number includes people who are tested at a healthcare facility (doctor's office, urgent care, pharmacy, ER, etc.) and those individuals who tested positive on an at home test kit and reported those to us.

We have heard from a number of schools reporting an increase in COVID cases over the past few weeks. As a reminder, if you are ill or do not feel well, please stay home, contact your healthcare provider and get tested for COVID. DO NOT go to work or school with any symptoms of COVID.

It is important to submit at-home test results to our department so we can monitor the number of COVID cases and transmission levels of COVID in our community.

If you test positive using an at-home test kit, please report your positive test to the Cayuga County Health Department. You can report it by:

- Taking a clear picture of your home test results
- Emailing a picture of the home test results to [covidtest@cayugacounty.us](mailto:covidtest@cayugacounty.us)
- Please include the following information in the body of the email:
  - your full legal name
  - date of birth
  - date the test was taken
  - phone number
