Deaths:

A Cayuga County resident – a male in his eighties – has tested positive for COVID-19 and has passed away. Out of respect for the privacy of the deceased and his family, we will not be releasing any further information.

There have been 142 total reported Cayuga County deaths related to COVID-19.

Active Cases in Mandatory Isolation: 237 in Mandatory Isolation

Additional Information:

The Cayuga County Health Department continues to offer COVID-19 vaccine and booster clinics. Vaccines offered at our clinics include; Pediatric Pfizer (for children ages 5-11 years of age), Pfizer (for individuals 12 years of age and older) and Moderna (for individuals 18 years of age and older). To view upcoming clinics visit: www.cayugacounty.us/health.

It is important to submit at-home test results to our department so we can monitor the number of COVID-19 cases in our community. Please visit our website for more information on how to submit an at-home COVID test: www.cayugacounty.us/health
