Additional Information:

The Cayuga County Health Department continues to offer COVID-19 vaccine and booster clinics. Vaccines offered at our clinics include; Pediatric Pfizer (for children ages 5-11 years of age), Pfizer (for individuals 12 years of age and older) and Moderna (for individuals 18 years of age and older). To view upcoming clinics visit: www.cayugacounty.us/health.

It is important to submit at-home test results to our department so we can monitor the number of COVID-19 cases in our community. Please visit our website for more information on how to submit an at-home COVID test: www.cayugacounty.us/health
