Deaths:

Two Cayuga County residents, a female in her sixties and a male in his eighties – have tested positive for COVID-19 and have passed away. Out of respect for the privacy of the deceased and their families, we will not be releasing any further information.

There have been 141 total reported Cayuga County deaths related to COVID-19.

Active Cases in Mandatory Isolation: 197 in Mandatory Isolation

Additional Information:

The Cayuga County Health Department continues to offer COVID-19 vaccine clinics. Vaccines offered at our clinics include:

- Pediatric Pfizer first and second doses are available for children ages 5-11 years of age.
- Pfizer first, second and booster doses for individuals 12 years of age and older.
- Moderna first, second and booster doses are available for individuals 18 years of age and older.
- Additional (second) booster doses for Pfizer and Moderna will now be available at our clinics. Eligibility for an additional booster is as follows:

Kathleen Cuddy, MPH
Public Health Director
Cayuga County Health Department
8 Dill St.
Auburn, NY 13021

- Pfizer is approved for anyone 50 years of age and older at least four months after receipt of the first booster.
- Pfizer is also approved for individuals 12 years of age and older with certain kinds of immunocompromise at least 4 months after receipt of a first booster dose of any authorized or approved COVID-19 vaccine. These are people who have undergone solid organ transplantation, or who are living with conditions that are considered to have an equivalent level of immunocompromise.
- Moderna is approved for anyone 18 years of age and older with certain kinds of immunocompromise at least four months after receipt of the first booster.

How to report at-home positive COVID tests to the Cayuga County Health Department

It is important to submit at-home test results to our department so we can monitor the number of COVID-19 cases in our community.

If you test positive using an at-home test kit, please report your positive test to the Cayuga County Health Department. You can report it by:

- Taking a clear picture of your home test results
- Emailing a picture of the home test results to covidtest@cayugacounty.us
- Please include the following information in the body of the email:
 - your full legal name
 - date of birth
 - date the test was taken
 - phone number
