VB RESOLUTION NO. 22-10

DATES OF REGULAR and SPECIAL MEETINGS

WHEREAS; the Open Meetings Law requires that the news media and public must have at least 72 hours notice prior to the holding of any regularly scheduled meeting [Public Officers Law 104(1)]. This can be accomplished by notifying the public and the news media of each specified meeting. Alternatively, the board may authorize the clerk to send a single letter to the news media, with a corresponding public posting of a notice indicating the schedule of the regular board meetings, as adopted by the board of trustees at the organizational meeting. This notice to both the news media and the public should state the dates of the meetings, the place of the meetings, and the times at which the meetings will be held, and

WHEREAS; no state law prescribes the number of frequency of meetings which must be held by a board of trustees. The board of trustees decides, by resolution adopted at the organizational meeting, when they will meet, and also,

WHEREAS; no state law prescribes the procedure for calling or holding a special meeting of the board of trustees. There is often confusion as to who can call or require a special meeting. With regard to special meetings, the Open Meetings Law requires that notice be given to the news media and to the public as soon as practicable after the calling of the special meeting. See Public Officers Law 104(2), and

WHEREAS; notice requirements to village officials are not stated in stature, but case law has indicated that any notice procedure adopted must be reasonably calculated to ensure that all members of the board of trustees have notice of the meeting. This may be accomplished by having the village clerk contact each member individually, or by having individual trustees contact other trustees by letter, phone, or personally. In adopting such rules, it is wise to remember that in some emergency situations it may be necessary to call a special meeting on quite short notice. Thus, the procedure should be flexible, without any provisions which might delay the meeting. Thus, a mailing is usually not a good method of calling a special meeting, and

BE IT RESOLVED that the Board of Trustees of the Village of Aurora shall meet on the third (3rd) Wednesday of the month at 6:00 PM in the Firehouse Meeting Room. Notification of a change in date, time or place shall be timely.

BE IT ALSO RESOLVED that Special Meetings of the Aurora Board of Trustees of the Village of Aurora may be called by the Mayor or by the Clerk upon request of two members of the Board. If called by the Clerk or the Mayor, the remaining Board Members and the Public shall be given three (3) days notice unless an emergency exists, in which case notice shall be given as early as possible.

BE IT FURTHER RESOLVED, that the Organizational Meeting for 2023 shall be held on the third Wednesday in April (April 19, 2023).

Reports

Code Officer (see attached): Officer Green reported on recent permit activity

Historian (see attached): Dr. Schwab submitted an addendum to her report (attached) emphasizing the importance of finding a permanent home for the village historical records. Currently, records are housed in Cayuga Lake National Bank (Aurora branch), the Aurora Masonic Center, and Patrick Tavern. Unfortunately, CLNB needs the space for staff and have requested that the records be removed ahead of the December 31, 2022 deadline. Cleveland Hall at Wells College was suggested.

Trustee Zimdahl questioned the viability of Patrick Tavern as a year-round space. Dr. Schwab replied that currently the three-season use is acceptable for the Tuesday Farmer's Market (weekly spring-fall and monthly in the winter) and other groups have hosted events there.

Miscellaneous

Cayuga Lake Watershed IO (CWIO): Ms. Balloni reported that CWIO is beginning the interview process for hiring a watershed manager.

Hydrilla schedule for 2022: Ms. Balloni attended a webinar hosted by the Army Corps of Engineers. Army Corps will once again oversee the herbicide treatments this summer, along with the NY State DEC. The Army Corps is optimistic with the progress in the south end of the village and despite new infestations near the north end, believes they are "small, patchy infestations" that can be eradicated.

Summer Program: Ms. Balloni reported that no applications were received for the program director position and only one person has indicated interest in lifeguarding this summer. Ms. Balloni will reach out to Cathy Murray at SCCS regarding the lifeguard class that she is conducting at the beginning of June.

Old Business

FEMA Grant: Village Clerk Ann Balloni, Village Engineer Ken Teter, and Village DPW Superintendent Kurt Wilmot met with Department of Homeland Security representative, Ron Palousek to discuss grant options. Mr. Palousek strongly encouraged applying for a new generator with associated electrical upgrades at the wastewater treatment plant. The grant is a 90/10 match with potential funding of approximately \$250,000.00.

Trustee Miller suggested applying for upgrading/building a new treatment plant and referred to a report by MRB Group for the Cayuga County Water & Sewer Authority (CCWSA) documenting the needed upgrades for the WWTP to handle the planned sewer lines to Honoco Road. Ms. Balloni noted that, per the conversation with Mr. Palousek, new infrastructure was not included in this grant but agreed to call Mr. Palousek and confirm the types of projects that are being funded.

WIIA Grant: The Village Board discussed with Mr. Teter the \$3,000,000.00 awarded to the village through the Water Infrastructure Improvement Act (WIIA) grant. The application process was delayed due to the Covid-19 pandemic, but Mr. Teter, Mayor Bennett, and Chris Lawton from Barton & Loguidice engineering firm completed and submitted the application in November 2021.

Discussion on the best use for the funding included a new intake pipe for the current water plant, owned and operated by Wells College, or using the money towards a new water plant. Wells College has also applied for funding for an intake pipe and have reversed their stance from 2017 that they wanted “out of the water business”. Mayor Orman suggested a meeting with village officials, Wells College, CCWSA, and Cayuga County Department of Health to discuss a coordinated plan.

New Business

IT Recommendations: Jon Gans discussed options for videoconferencing, revising the village website, security cameras, and upgrading the computers/security at the WWTP.

Videoconferencing Resolution: Village Attorney, Tom Blair, recommended adopting a local law, as opposed to a resolution, and Ms. Balloni is conferring with him on the language for introduction at the May 18, 2022 meeting.

CCWSA Lead Agency Notification: On motion by Trustee Murphy, seconded by Trustee Miller, the Village Board, as an involved agency, voted to support the CCWSA designation as Lead Agency for the coordinated State Environmental Quality Review for the CCWSA Regional Water Project.

AYES: Bianconi, Miller, Murphy, Orman, and Zimdahl

NAYS: None

Motion carried unanimously.

Cable Franchise Agreement: Trustee Murphy will coordinate with Mr. Blair and Charter Communications on the franchise renewal.

May Village Association Dinner: Mayor Orman suggested hosting the dinner at the Wells College Golf Club on May 24. Mayor Orman instructed the clerk to poll the other villages regarding an earlier start time of 5:30.

Adjournment: On motion by Trustee Miller, seconded by Trustee Bianconi, the Village Board voted to adjourn the meeting at 7:40 p.m.

AYES: Bianconi, Miller, Murphy, Orman, and Zimdahl

NAYS: None

Motion carried unanimously.

Respectfully submitted,

Ann Balloni
Village Clerk
