The Cayuga County Health Department continues to offer COVID-19 vaccine and booster clinics. Vaccines offered at our clinics include: Pediatric Pfizer (for children ages 5-11 years of age), Pfizer (for individuals 12 years of age and older) and Moderna (for individuals 18 years of age and older). To view upcoming clinics, visit: www.cayugacounty.us/health.

You can submit at-home test results to our department. Please visit our website for more information on how to submit an at-home COVID test: www.cayugacounty.us/health.

The Federal Drug Administration (FDA) has extended the expiration dates of some FDA approve COVID-19 at-home test kits. To see if the expiration date of a test kit is extended, please visit the manufacturer's website.
