#### **Additional Information:**

On Thursday, June 9, 2022, the Centers for Disease Control and Prevention (CDC) reported that Cayuga County's COVID-19 community transmission level is currently LOW. At this level, residents should:

- Stay up to date with COVID-19 vaccines.
- Get tested if you have symptoms.
- People with symptoms, a positive test, or exposure to someone with COVID-19 should wear a mask.

For more information, visit the link below: <https://www.cdc.gov/coronavirus/2019-ncov/your-health/covid-by-county.html>

The Cayuga County Health Department continues to offer COVID-19 vaccine and booster clinics. Vaccines offered at our clinics include: Pediatric Pfizer (for children ages 5-11 years of age), Pfizer (for individuals 12 years of age and older) and Moderna (for individuals 18 years of age and older). To view upcoming clinics, visit: [www.cayugacounty.us/health](http://www.cayugacounty.us/health).

You can submit at-home test results to our department. Please visit our website for more information on how to submit an at-home COVID test: [www.cayugacounty.us.health](http://www.cayugacounty.us.health). The Federal Drug Administration (FDA) has extended the expiration dates of some FDA approve COVID-19 at-home test kits. To see if the expiration date of a test kit is extended, please visit the manufacturer's website.
