Additional Information:

The Centers for Disease Control and Prevention (CDC) report that Cayuga County's COVID-19 community transmission level is currently LOW. At this level, residents should:

- Stay up to date with COVID-19 vaccines.
- Get tested if you have symptoms.
- People with symptoms, a positive test, or exposure to someone with COVID-19 should wear a mask.

For more information, visit the link below: <https://www.cdc.gov/coronavirus/2019-ncov/your-health/covid-by-county.html>

The Cayuga County Health Department continues to offer COVID-19 vaccine and booster clinics. To view upcoming clinics, visit: www.cayugacounty.us/health.

You can submit at-home test results to our department. Please visit our website for more information on how to submit an at-home COVID test: www.cayugacounty.us/health. The Federal Drug Administration (FDA) has extended the expiration dates of some FDA approved COVID-19 at-home test kits. To see if the expiration date of a test kit is extended, please visit the manufacturer's website.
