

Dear Ann,

We met Jacci and Virgil last spring when we were looking for a home to house family members coming for a family reunion.

Jacci was so gracious and patient with us. She walked us through all the houses available and helped us find the perfect one.

Each home that we walked through were beautifully maintained inside and out.

Our brother's and their families, who traveled from California, Germany and Hungary, loved the house and the Village of Aurora.

They were also impressed with how well stocked the house was.

We have rented houses in several different locations on the East Coast of the United States through the years and they commented that this was the best stocked home!

Secondly, Jacci and Virgil were extremely welcoming to us as we are new to this area and even took us out to dinner.

Jacci has been an invaluable resource of local information. She has referred painter's and shops to us who have proved to be very helpful.

Lastly, we first found the beauty of this area when we stayed at one of the Inns at Aurora, now more than 10 years later we have built our forever home in King Ferry.

We believe in order to keep the Village of Aurora vibrant we need both small and large businesses.

We would be happy to answer any specific questions if you would like to contact us.
