

To Mayor Orman and Members of the Village Board:

I am writing in strong support of the Short-Term Rentals Law. As has been the case for so many communities, the recent drastic increase in short-term rentals in Aurora has already changed the character of our village toward transient visitors and away from residents, especially families.

This proposed law represents, I think, a minimum but welcome turn back toward a more balanced community. I would approve a more restrictive law, but I am pleased to support this one, and urge you to approve it.

Sincerely,

Linda Schwab
