

SEPTIC SYSTEM

Inspector's Certification Course

When: April 4-5, 2024

Time: 8:30am until 4:30pm

Who: Qualified individuals can take this course.*

Why: The Cayuga County Sanitary Code requires septic systems to be periodically inspected. This is designed to protect the natural water resources of Cayuga County.

**Applicants must take the 2-day course and pass the exam to become a certified inspector.*
