On behalf of the Village of Aurora Board of Trustees, I would like to lend our unanimous support of the Patrick Tavern Market for the Lipinski Award. For many of our residents, it is a convenient option to purchase their produce, staples, meats, baked goods, and specialty items given that the closest supermarket is 20+ miles away.

As a veteran myself, I am personally very proud of the encouragement and support by the Patrick Tavern Market of our local farmer veterans. Not only do they supply their goods for the Patrick Tavern Market, but many of them offer delivery options. This is a significant benefit as most of our community consists of senior citizens and retirees.

The Village of Aurora humbly appreciates your consideration of the Patrick Tavern Market for the Lipinski award.

Regards,

James Orman  
Mayor of Aurora, NY
