The Community Science Institute, Inc., warrants that analytical results are accurate and representative of samples received for analysis. Clients frequently collect samples and submit them for analysis. When that is the case, client acknowledges that sample representativeness depends on his or her adhering to sampling instructions provided by CSI. If a test result is shown to be inaccurate, CSI agrees to repeat the test free of charge but accepts no further liability. CSI treats this Test Report as confidential. Client may reproduce Test Report in its entirety. Partial duplication is not allowed except with written approval from CSI.
