Re: 302 Main St. Patric Tavern

To whom it may concern:

I visited the above address and have measured the dimensions of the proposed porch addition and have confirmed that it is not in the Traffic Triangle referenced in Section 506 A of the 2024 Aurora Village Zoning Law. The line going from two points each 25' from the intersection of Main St. and Dublin Hill Rd. is 19" from the closest point of the proposed porch.

Sincerely,

A handwritten signature in brown ink, appearing to read "Robert Rhea". The signature is fluid and cursive, with the first name "Robert" and last name "Rhea" clearly distinguishable.
