### **Application #25-34 from Mark Ferrari for replacement windows at 316 Main Street (Tax Map #182.13-1-33)**

Mr. Ferrari submitted plans to replace three windows and add a fourth on the east side of the building. The current windows are circa 1950's era.

Mr. Burkett noted that on another window project in the village, the replacement windows are identical to the original windows, echoing Dr. Schwab's recommendation of using historically accurate replacements.

On motion by Morehouse, second by Rossmann, the CPP voted to approve Application #25-34 as submitted.

**Historic Interpretive Signage:** Dr. Schwab brought examples of signs that the Aurora Ledyard Historical Society is considering for Patrick Tavern and requested the CPP's opinion, prior to submitting a formal application. The panel was somewhat concerned with a parking sign attached to a chain blocking access to the front porch stairs due to safety issues.

The panel discussed if framed signs or frameless is preferred and noted the new signs on the Inns of Aurora trails. Dr. Schwab advised consistency throughout the village, including signage for the new park at the south end of the village. The CPP agreed that consistency is important and recommended that it be brought to the attention of the park committee.

**Adjournment:** On motion by Morehouse, seconded by Wendle, the CPP voted to adjourn the meeting at 7:45 p.m.
