

# VILLAGE OF AURORA – RATE SCHEDULE

## **NEW WATER AND SEWER SYSTEM BILLING RATE SCHEDULE**

EFFECTIVE JULY 1, 2026

Introduction: The rates noted below are broken into the categories shown. The rates, in general, are applied as a flat fee based on the Equivalent Dwelling Unit (EDU), one of which equals the typical annual water usage of a residential home connected to the system. As it pertains to commercial properties, their flat rate is based on the per EDU rate for that category multiplied by the number of EDU's that are associated with that particular account based on the 2025 usage data.
