Good afternoon,

On September 15th, Governor Hochul announced the launch of an enrollment drive for the expanded [Energy Affordability Program](#) – the utility discount program directed by the Public Service Commission, which is available to approximately 3.5 million households.

As trusted partners, we are asking for your help to spread the word to the individuals you serve to increase enrollment in this important program. On the second page of this letter, you will find more information related to the Energy Affordability Program and how to apply. We are also attaching digital rack cards for distribution to individuals, as well as to your networks and community partners.

Thank you for your participation. Please contact oga@health.ny.gov if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Alyssa".
