

## Cayuga Countywide Strategic Plan

# COMMUNITY VISIONING WORKSHOPS

Working Together to Grow Together

## EVENT HIGHLIGHTS

Cayuga County is developing a new Countywide Strategic Plan, and we want your input! Join us to help shape the vision, goals, and strategies that will guide our community's future. We'll start with a brief presentation, followed by interactive stations where you can share your ideas. Light refreshments will be provided. Your feedback is essential to ensure the final plan reflects our communities and their needs.

During the meeting you'll have the chance to:

- Hear an update on the plan's progress
- Explore interactive stations & maps
- Talk with our team members
- Take part in trivia and win prizes
