Thank you Ann for this notification.
The Oak Glen Cemetery association has no objections to the permit request made by the Connors.

Hi Tracy.

Alan & Carolyn Connors applied for an addition to their house. Attached is the application , as well as the Public Hearing notice.

As the cemetery borders their property, you or a representative for the cemetery are encouraged to attend the Public Hearing or submit any comments in writing (mail, email, or in-person).

Let me know if you have any questions.

Ann
